

Dear Waltham St Lawrence Social Member,

Time seems to have flown since October but it is now only four weeks away from the new social season at Waltham St Lawrence Cricket club.

We are hoping that 2009 will bring even more people together from the local area to enjoy our excellent facilities and great events.

We have decided to keep prices as they were last year but are changing the age stipulation on the family membership.

Family membership will now constitute parents and any children under 16 years of age. Any family member over 16 would be welcome to pay the **£10** single membership fee.

Events:

April 3rd – Opening Night

May 15th – Softball Evening

June 5th – Quiz Night

July 10th – Race Night

September 11th – Robbie Williams Tribute

Other info:

We would like to take this opportunity impress upon your sons/daughters that they should not play on the square in the middle of the field, neither should they play on the sight screens nor use the net area without supervision. Many thanks for your cooperation on these matters.

We look forward to seeing you soon

Rupe Patel	Steve Farnon
